

# Activities 2018 2019

## France

**EIPG General Assembly**  
*Budapest – May 25th-May 26th 2019*

# 1- Organization

# Council of the Order of Pharmacists

PRESIDENT: *Carine WOLF*

*For exercising his/her pharmaceutical activities,  
the pharmacist must be registered at the Council of the Order*

## 2- Main Activities

# EIPG Pharmaceutical Activities Responsibility

---

***Thank You !  
for your participation  
to the survey***

2.1

Follow-up of the Industrial Pharmacist  
Working Group

**Pharmacist Chief officer  
in France  
What future ?**

## Second step

### 3 QUICK WINS

**1. Develop pedagogic elements for explaining the Pharmacien Responsable (Chief Pharmaceutical Officer) to corporates**

**2. Show interest of the pharmacists from different functions to secure the medicine products chain**

**3. Improve the support to new Pharmaciens Responsables for better explaining their role**

## Third step

---

### 3 MAIN PROJECTS ON GOING

**1. Clarify “exploitant” vs “local representative”**

DGS  
Ansm

**2. Precise the experience to validate the Pharmacien Responsable status**

DGS  
Ansm

**3. Increase regular relationship with authorities**

## 2.2

### « Dossier Pharmaceutique » system

# DP News 2018-2019

## DP Rupture Situation April 2019

### Drug supply shortage

- 22 000 Community pharmacies / 16 000 are connected
- 78 pharmaceutical companies have subscribed
- > 600 SKU's (sartans & levothyrox) on shortage on 14 000 available
- Median duration: 61 days (mainly due sartans!) – without Sartans : 42 days

## DP Rappel Batch recall

- Message in case the product delivered is subject to batch recall since November 2011

## DP Safety Alarm signal

- Can be sent with agreement from the CNOP with request from Ministry of Health (DGS) or Drug Agency (Ansm)
