

# EIPG GA 2019

Yearly Update - The Netherlands

# Nederlandse Industrie Apothekers

- Association for Dutch Industrial Pharmacists
- Founded in 1955
- ±500 members (±400 Industrial Pharmacists)
  - **19 new members in 2018**
  - Other members could be pharmacy students or other people working in the Industrial Pharmacy sector.
- Active members for EIPG, young Industrial Pharmacists (STIP), re-registration (BIG) and educational sections.

# 2018

## Report of activities

- New year event.
- NIA email flash messages + paper newsletter
  - Plus NIA website and LinkedIn
- Contact with students via STIP and KNPSV (Dutch national pharmaceutical students association). NIA was present on several career events.
  - Bi-annual Day of the Pharmaceutical industry for students
- Regular meetings of NIA board with EIPG, STIP, BIG and educational sections.
  - Christmas dinner for active members
- Several educative meetings with various topics have been organized.
  - Brexit and move of EMA to NL
  - Personalized medicines
  - Genomics in pharma R&D
- At the Annual GA, the chairperson and treasurer of the NIA board stepped down, new NIA members have been elected

## Issues in 2018

- Pharmacy curriculum in academia and industrial pharmacist of mutual interest was unfortunately cancelled due to lack of buy in at Dutch universities
- 5 yearly re-registration for industrial pharmacists in national registry for individual care

Future  
collaboration  
with EIPG

- Hosting of GA 2020 in Leiden, the Netherlands

# Nederlandse Industrie Apothekers

EIPG GA 2020 → 65 years of 'NIA' for  
Dutch Industrial Pharmacists
